Journal Utilization

Journal Performance

In which journals do Al-Hadba University authors outperform the average journal citation rate?

Journals are ranked by Journal Normalized Citation Impact, identifying journals where the selected institution is having the most impact with respect to other documents published in the journal.

No values

In which journals do Al-Hadba University authors publish most frequently?

Journals are ranked by the number of documents the selected institution has published in each journal.

Cited Journals

Which journals are Al-Hadba University authors citing?

Cited journals are ranked by the number of Web of Science documents cited by the selected institution and includes documents cited 2006 to present by documents published within the time period selected.

Box size indicates number of Web of Science Documents

Are Al-Hadba University authors citing recent or older material?

Cited journals are ranked by the number of Web of Science documents cited by selected institution. Included are documents cited 2006 to present by documents published 2006 to present irrespective of the time period selected.

Citing Journals

Which journals are citing Al-Hadba University authors?

Citing journals are ranked by the number of Web of Science documents citing selected institution and includes documents published 2006 to present that are citing documents published within the time period selected.

Are Al-Hadba University authors being cited by recent or older material?

Citing journals are ranked by the number of Web of Science documents citing selected institution. Included are documents published 2006 to present that are citing documents published 2006 to present irrespective of the time period selected.
